BUSINESS

INTRODUCTORY SPECIAL

YOU'RE INVITED

We are inviting you to join the New Hope Business Association! The New Hope Business Association "NHBA" was founded this year to help improve business communication within the town of New Hope. Our goal is to strengthen business relationships, and improve the overall internet presence of New Hope businesses.

WHAT YOU GET FOR FREE

Visit us online at www.nhbanews.net and click on "SIGN UP" located towards the top right of our new website. Upon signing up, your business will automatically appear within our "BUSINESS DIRECTORY". If your business is located within the local New Hope area, we will also include you on our Google Map Tool, accessible through our website. Your site being linked on our site increases your search engine visibility.

WHAT TO EXPECT

NHBA basic services listed above are absolutely free. We will keep your email address within our NHBA member database to help communicate to all NHBA participants only. You will NOT receive any 3rd party solicitations or SPAM from the NHBA. The newly formed NHBA will be comprised of other local New Hope business owners looking to improve the New Hope business community. When you receive emails from the NHBA they will contain materials and information relating to the New Hope Business Association, potential association meetings, and any other events or services being offered by the New Hope Business Association. We are looking for members to be on the NHBA panel and to take an active role. Panel members receive additional benefits.

NHBA MEMBERSHIP

Enrolling in an NHBA Membership will bring your business to the forefront of the New Hope Business Association. A \$60.00 annual membership includes a link to your website and a brief description of your business. You may also be eligible to participate on our online NHBA Google Map as well as a printed version that we will be releasing this year. You may also have opportunities to participate on the NHBA panel. Other exclusive offers and opportunities will be available to you as the NHBA moves forward. If you have any questions please don't hesitate to call us today.
